

## **REACH - Declaration**

Hereby we declare that all products manufactured in SWISS KRONO sp. z o.o., Żary, ul. Serbska 56, are safe and with required attestations and certificates, do not contain substances on the List of Substances of Very High Concern, according to the current candidate list (SVHC) in an amount >0,1% and do not contain any substances subject to the authorization procedure (Annex XIV of the REACH Regulation).

Wood-based products manufactured by SWISS KRONO sp. z o.o., when use for its intended use, do not release to the environment any harmful substances that are listed in Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 (as amended) concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). SWISS KRONO sp. z o.o., Żary fulfils all requirements of Regulation (REACH) mentioned above.

Notwithstanding mentioned information, we control the realization of REACH by our suppliers, doing so in our own business, as well as in order to guarantee a high level of products' safety. We stay in close contact with our suppliers of chemical substances and products. Our prospective suppliers are evaluated on the basis of possessing initial / appropriate registration of chemical substances included in REACH system.
