

# The SWISS KRONO Show Module

A solid  
timber module ...

... in life size

and

on wheels

Bundled SWISS KRONO power  
for your sustainable solutions in wood construction  
and interior design.

# Massive elements with MAGNUMBOARD® OSB

Extensive prefabrication:  
Installation on or in walls,  
everything is flexibly  
plannable with  
MAGNUMBOARD® OSB.

For example prefabricated  
electrical conduits.

# Massive elements with MAGNUMBOARD® OSB

Tested and proven  
constructions

# Massive elements with MAGNUMBOARD® OSB

Direct Interior  
Finishing – Without  
Plasterboard

# Massive elements with MAGNUMBOARD® OSB

Plastering, papering,  
tiling or painting

# Special conditions require accurate fit OSB

Fire protection with the  
flame retardant **OSB stop  
fire**
