CATERING FOR YOUR EVENT

Of course, we are happy to take over the catering for your event in our rooms.

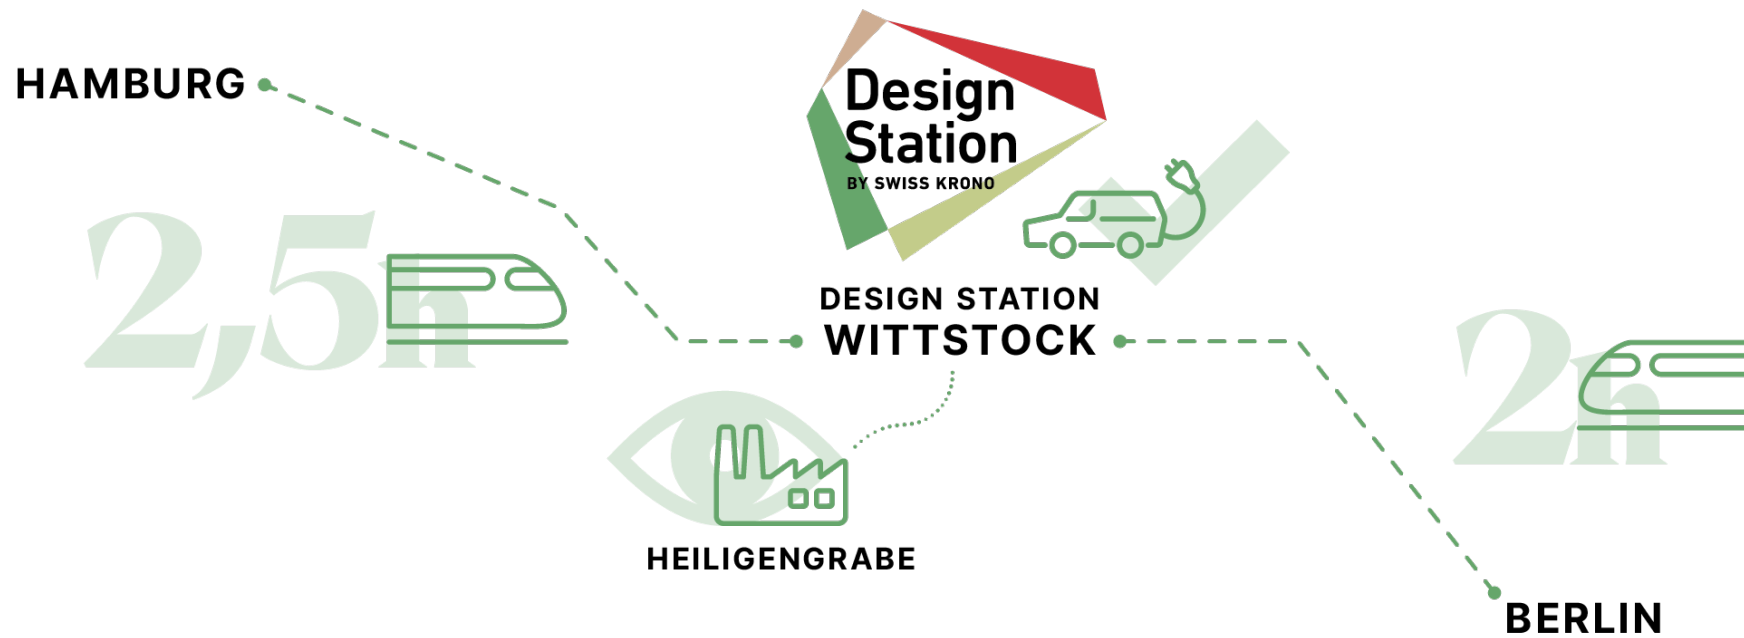

REGULAR

We take care of the drinks – whether hot or cold, still or tangy.

ON REQUEST

and by arrangement an external catering can also be ordered, e.g. as a buffet or grill.

Please feel free to **→ contact us.**

JOURNEY

The Design Station is located directly at Wittstock railway station. From Berlin you can reach us by train in just under two hours, from Hamburg in 2.5 hours. If you arrive by car, you can park right outside the door. Of course, we also have an e-charging station.

Our factory in Heiligengrabe is only seven kilometres away from the Design Station and we look forward to welcoming you there.
