Holz in Bestform • Wood at its best

 **SWISS KRONO**

SWISSCLIC PANEL

DE Die innovative Lösung für Ihr ganzheitliches Raumkonzept: das präzise CLIC-System ermöglicht die einfache und schnelle Montage ohne Spezialwerkzeuge. An Wand und Decke werden die einzelnen Teile praktisch fugenlos zu einer Fläche nach individuellen Bedürfnissen zusammengefügt. So realisieren Sie Wohn(t)räume. Der Fantasie sind keine Grenzen gesetzt.

FR La solution novatrice pour créer votre concept d'ensemble de l'espace: le système CLIC précis permet un montage simple et rapide sans outils spéciaux. Les différentes pièces sont assemblées sur le mur et au plafond pratiquement sans joint pour créer une surface selon les besoins individuels. Vous réalisez ainsi les pièces d'habitation dont vous avez rêvées. Votre créativité ne connaîtra aucune limite!

IT La soluzione innovativa per la progettazione completa del vostro spazio: la precisione del sistema CLIC consente il montaggio semplice e rapido senza utensili speciali. A parete e a soffitto, i singoli pezzi si uniscono in modo pratico e senza giunti, per formare una superficie in grado di rispondere alle esigenze individuali. Nascono così ambienti da sogno. Non ci sono limiti alla fantasia.

EN The innovative solution for your concept of integrated space: the precision of the CLIC system make each installation quick and easy with no need of special tools. On walls or ceilings, the separate pieces are seamlessly joined to create the surface you want. Make the living space of your dreams come true. There are no limits to your imagination.

ES La solución innovadora para su concepto espacial integral: el sistema CLIC preciso permite el montaje sencillo y rápido sin herramientas especiales. Las piezas se ensamblan en la pared y el techo, prácticamente sin juntas, formando una superficie según las necesidades individuales. Así realiza usted su(s) espacio(s) habitable(s). No hay límites para su fantasía.

PT A solução inovadora para o seu conceito espacial integral: o sistema CLIC preciso permite uma montagem simples e rápida sem ferramentas especiais. Na parede e no teto, as peças isoladas são montadas praticamente sem emendas, criando uma área em função das suas necessidades individuais. Assim se criam espaços de sonho, sem limites para a fantasia.

OPTIONS

MODERN

DE Wohnen mit Wohlgefühl dank dem perfekten Abbild von echten mineralischen Oberflächen und natürlichen Holzstrukturen. Die praktisch fugenlose Fläche wirkt modern und passt in die heutige, anspruchsvolle Innenarchitektur.

FR Habiter avec un caractère de bien-être grâce à l'impression parfaite de véritables surfaces minérales et aux structures de bois naturelles. La surface pratiquement sans joint donne une impression de modernité et se fond merveilleusement dans l'architecture intérieure actuelle.

IT Vivo in uno spazio abitativo improntato al benessere, grazie alla perfetta riproduzione di superfici minerali autentiche e strutture lignee naturali. La pratica superficie senza giunti è perfetta per soluzioni di interior design moderne e sofisticate.

EN Living in a feel-good atmosphere thanks to the perfect reproduction of genuine mineral surfaces and natural wood grains. The seamless surface fits perfectly today's sophisticated interior design.

ES Una vivienda en la que nos sentimos a gusto gracias a la reproducción perfecta de superficies metálicas auténticas y estructuras de madera naturales. La superficie prácticamente sin juntas tiene un aspecto moderno y encaja bien en el interiorismo exigente de nuestros tiempos.

PT Viver com bem-estar graças ao aspeto perfeito de superfícies minerais genuínas e estruturas de madeira natural. A superfície praticamente sem juntas tem um aspeto moderno que se enquadra na arquitetura de interiores contemporânea e sofisticada.

ROBUST

DE Die abriebfeste, hygienische und lichtechte Oberfläche ermöglicht einen Einsatz für moderne Verkleidungen mit erhöhten Anforderungen, wie Flächen in Restaurants, in Hotels, im Messe- und Ladenbau, im Pflegebereich sowie in Mehrfamilienhäusern.

FR Cette surface résistante à l'usure, hygiénique et stable à la lumière apportent des solutions pour les revêtements modernes à exigences élevées, comme les surfaces dans les restaurants, les hôtels et dans la construction de stands de foire et l'aménagement de magasins, dans le domaine de soins ainsi que dans les immeubles collectifs.

IT La superficie a prova di abrasione, igienica e resistente alla luce offre soluzioni per rivestimenti moderni che soddisfano le esigenze più complesse, sia per superfici di ristoranti, hotel, allestimento negozi, sia settore assistenziale, fieristico e delle case di cura.

EN This wear-resistant, light-resistant and hygienic surface provides solutions for modern panelling specifically suited to the demanding of restaurants, hotels, shop fittings, as well as health-care and trade fair sectors.

ES Las superficies resistentes a la abrasión, higiénicas y sólidas a la luz aportan soluciones para revestimientos modernos para elevadas exigencias, como superficies en restaurantes, hoteles, construcciones para ferias y tiendas, centros asistenciales y casas multifamiliares.

PT As superfícies resistentes à abrasão, higiénicas e estáveis à exposição à luz trazem soluções para revestimentos modernos com requisitos elevados, tais como áreas de restaurantes, hotéis, feiras e lojas, áreas de enfermagem e edifícios de apartamentos.

SIMPLE

DE Das optimierte Montagesystem ist durchgehend einfach. Alle technischen Gegebenheiten mit den verschiedenen Untergründen, dem Nivellieren oder der Abhängemontage, sowie die Möglichkeit für Revisionsöffnungen sind gelöst. Die schnelle und saubere Montage ermöglicht kurze Prozesse ohne einen grossen Reinigungsaufwand.

FR Le système d'assemblage optimisé est tout simple. Ce qui solutionne toutes les données techniques liées aux différentes surfaces de pose, au nivellement ou au montage suspendu ainsi que à la possibilité pour l'installation de regard. L'assemblage rapide et propre permet des processus courts sans grand travail de nettoyage.

IT Il sistema di montaggio ottimizzato è estremamente semplice. Tutte le questioni tecniche, come fondi irregolari, livellamento, montaggio sospeso e aperture per l'ispezione, trovano soluzione. Il montaggio semplice e preciso rende il processo rapido e riduce al minimo la pulizia.

EN The optimised installation system is consistently simple. There are solutions to all technical circumstances presented by the various substrates, levelling, suspended installations, and inspection apertures. The fast and clean installation cuts process times without major cleaning work.

ES El sistema de montaje optimizado es sencillo en toda la línea. Se han resuelto todas las circunstancias técnicas, que pueden presentar los diferentes soportes, la nivelación o el montaje suspendido así como las posibilidades de aperturas de inspección. El montaje rápido y limpio permite procesos cortos sin mucho trabajo de limpieza.

PT O sistema de montagem otimizado é simples. Ficam resolvidas todas as condições técnicas com diferentes substratos, nivelamento ou montagem da suspensão, bem como a possibilidade de aberturas de inspeção. A montagem rápida e limpa permite processos breves sem grande esforço de limpeza.

DE

① Das **SWISSCLIC** PANEL-A verbindet modernes Innenraumdesign mit lösungsorientierter Raumakustik. Der Lärm wird geschluckt und die Sprachverständlichkeit verbessert. Wände und Decken bieten Platz und sind einfache Möglichkeiten, das **SWISSCLIC** PANEL-A zu positionieren. Zusätzlich bieten Stellwände / räumliche Abtrennungen weitere Flächen.

② Um zu verhindern, dass der Lärm von einer Fläche zur gegenüberliegenden Fläche reflektiert wird, empfehlen wir auf einer der beiden Seiten **SWISSCLIC** PANEL-A einzubauen.

FR

① Le **SWISSCLIC** PANEL-A allie un concept moderne de pièces intérieures à une acoustique de pièce orientée vers la solution. Le bruit est absorbé, ce qui améliore la clarté vocale. Les murs et les plafonds offrent de la place et sont des possibilités simples pour positionner le **SWISSCLIC** PANEL-A. De plus, les cloisons / les séparations de pièces offrent des surfaces supplémentaires.

② Pour éviter que le bruit ne fasse le va-et-vient d'une surface à l'autre, nous recommandons de monter des **SWISSCLIC** PANEL-A sur l'une des deux surfaces.

IT

① **SWISSCLIC** PANEL-A coniuga il moderno design d'interni con un'acustica ambientale orientata alle soluzioni. Il rumore è assorbito e la comunicazione migliora. Pareti e soffitti offrono spazio e costituiscono basi perfette per una posatura agevole di **SWISSCLIC** PANEL-A. Anche paratie e muri divisorii si prestano come superfici ulteriori.

② Per impedire che il rumore si sposti da una superficie a quella opposta, consigliamo di montare su uno dei due lati **SWISSCLIC** PANEL-A.

EN

① **SWISSCLIC** PANEL-A unites modern interior design with solution based room acoustics. Noise is absorbed, and speech is understood better. Walls and ceilings offer space and are convenient facilities for positioning **SWISSCLIC** PANEL-A. Moreover, partitions provide additional surfaces.

② If noise is to be prevented from travelling between two opposite surfaces, we recommend installing **SWISSCLIC** PANEL-A on one of the two sides.

ES

① El **SWISSCLIC** PANEL-A aúna el diseño de interiorismo moderno a una acústica de los espacios orientada a las soluciones. Se absorbe el ruido y se mejora la inteligibilidad de la comunicación hablada. Los techos y paredes ofrecen espacio y posibilidades sencillas para instalar el **SWISSCLIC** PANEL-A. Las paredes móviles / de separación ofrecen superficies adicionales el ruido.

② Recomendamos instalar el **SWISSCLIC** PANEL-A en uno de los dos lados para evitar que el ruido se propague de una superficie a la otra opuesta.

PT

① O **SWISSCLIC** PANEL-A combina um design interior moderno com a acústica da sala, que é orientada para criar soluções. O ruído é abafado e a inteligibilidade melhorada. Paredes e tetos são espaços e maneiras simples de posicionar o **SWISSCLIC** PANEL-A. Além disso, biombo e divisórias espaciais oferecem maior área.

② Para evitar que o ruído de uma superfície passe para a superfície adjacente, recomendamos que seja montado um **SWISSCLIC** PANEL-A de ambos os lados.
