Certificate of Constancy of Performance

No. 1034 – CPR – 2000/1B/2016

In compliance with the Regulation No. 305/2011/EU of the European Parliament and of the Council of March 9th, 2011 (Construction Products Regulation – CPR), the present certificate applies to the construction product

Particleboards, Type
"SWISS KRONO Laminated particleboard flameproof Stop Fire"
for the non structural internal use in dry conditions

(technical class P2 according to EN 312; nominal thickness 18 mm
with improved fire resistance: B-s2, d0)

placed on the market and produced in the factory

SWISS KRONO Sp. z o. o.
ul. Serbska 56; 68-200 Zary; Polen

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the harmonized standard

EN 13986:2004+A1:2015

according to the system 1 are applied and that the product fulfills all prescribed requirements set out above.

This certificate will remain valid as long the test methods and/or factory production control requirements included in the harmonized standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
